COMMITTEE ON FOREIGN RELATIONS

WASHINGTON, DC 20510

April 29, 1985

The Honorable William J. Casey  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Casey:

On February 22, 1985, the Agency briefed the Committee on Foreign Relations in closed session on "Trends in Soviet Strategic and Foreign Policy."

The classification of the briefing was originally designated codeword level and, as always in a briefing of this level, staff attendance was limited. However, in the course of the meeting, it was noted that the entire testimony of [ ] was not at the codeword level.

STAT

We would like to request that you make arrangements for this transcript to be reviewed by the appropriate Agency personnel in the Committee's Capitol office and that the portion which is not at the codeword level be separated from the rest of the transcript so that it may be made available to properly cleared staff who would have been entitled to attend the session.

It is important to us that this process be achieved in a timely fashion and would appreciate consideration of this matter as soon as possible. Please have your staff contact Barbara Allem, Chief Clerk of the Committee, to make arrangements to review the transcript.

Sincerely,

Richard G. Lugar  
Chairman
